Play With Fire
(Intro) G D G C Em
Em
Well you got your diamonds
And you got your pretty clothes
And the chauffeur drives your car
You let everybody know, but

(chorus) G D C
Em
Don't Play with me, Cause you're playin' with fire.

Em
Your mother, she's an heiress
Own's a block in Saint John's woods
And your father------rd be there with her
If he only could. but

(chorus), instr. chorus

Em
Your old man took her diamonds
And tiara's by the score
Now she gets her kicks in Steadily
Not in Knights Bridge anymore, so

(chorus)

Em
Now you got some diamonds
And you will add some others
But you better watch your step girl
Or start living with you mother, so, (chorus X 2)

(I like this old Rolling Stones song, I hope I got all the words correct, maybe some English chaps understand some of the lingo better than I do, but its still a good rather simple song to learn. Try Em variations while strumming to add a little variety to the verses) This song can be heard on "Big Hits" High Tide and Green Grass, Rolling Stones album and earlier works by the Rolling Stones. submitted by John Bryant, jrbryant@sisna.com
